

ASEAN-Japan Economic Co-Creation Vision

Released on
5 June 2023

~Overview of the Interim Report~

Vision for the next 50 years

Develop a society that is “safe, prosperous and free” through fair and mutually beneficial economic co-creation based on the trust that has been built over the past 50 years

Three fundamental concepts to support the vision

Sharing practices for development and overcoming challenges

Be grounded in diverse realities and geopolitical conditions

Circulating human resources to bring innovation together

~Four pillars of action to realize the vision~

Balancing diversity and inclusiveness in sustainable development

Promoting open innovation beyond borders

Strengthening cyber-physical connectivity

Building an ecosystem in co-creating dynamic human capital

Further utilize ERIA

- ✓ Interactively link the Growth and Innovation models that reflect the strengths of each country
- ✓ Demonstrate the co-creation relationship of ASEAN and Japan as one of the models to be pursued globally
- ✓ Contribute to the establishment of a free, fair and open regional economic order

Strengthen ASEAN and Japan cooperation in both the public and private sectors and promote co-creation projects
