

Collaboration framework with AZEC member countries

Philippines

- Launched **“Project Development Platform”** through signing of **MOUs with 3 major conglomerates** to promote AZEC projects.
- Established **“High Level Coordination Dialogue”** with **Department of Energy** to debottleneck any difficulties for identified AZEC projects.

Vietnam

- Established **“AZEC/GX Promotion Working Team”** with **relevant ministries** and **“Project Accelerating Platform (PAP)”** to materialize tangible projects.
- Signed on a **General Agreement with VPBank** to support **development of power grid** for further **increase of renewable energy** in Vietnam.

Indonesia

- Inaugurated **“Joint Task Force (JTF)”** with **Coordinating Ministry for Economic Affairs** to accelerate potential projects.
- **“Expert Group Meeting”** has been held continuously under **JTF** framework to follow up on the progress of potential projects.
- Transmission Line Seminar for PLN was held and concluded **Protocol of Cooperation with PLN.**
